Regler och direktiv för börser

DEGIRO erbjuder tillgång till flera olika finansiella marknader där olika regler tillämpas för varje börs. Nedan framgår länkar till de regler och direktiv som gäller för varje börs.

För mer information om order routing see vår sida för Produkter och börser och dokumentet Order och orderutförande.

Detta dokument ska inte ligga till grund för några juridiska anspråk. Senast uppdaterad: 2022-03-21.
